Hi Rob-

Here you go.

I apologize for not getting back to you on the modeling files. I looked again and don't have any of the actual input model files, just the report. I would recommend going to the Corps for that information though, per the provisions of the MOU re: access to the baseline materials etc. Thanks.

Hello Jamey:

Is it possible to email the most updated MOU between Cooperating Agency?

I want to be sure we have the most updated version.

Thank you

Rob
